

ESG ANALYST - INTERNSHIP

Our investment team is looking for an intern who has studied management, sustainability, or financial markets. **The internship is based in Paris, would begin in January 2025 and last 6 months.**

About Comgest:

Comgest, a global asset management group with a single focus on equities, is 100%-owned by employees and founders. This broad partnership – of over 35 years – drives an unconstrained, quality growth and responsible investment approach that is applied to both developed and emerging markets. With headquarters in Paris and offices across Europe, Asia-Pacific and North America, Comgest serves investors around the world who share our long-term investment horizon. With more than 200 employees of 30 different nationalities, Comgest serves a diverse global client base and manages assets of over €30bn (unaudited data as of 30 December 2023).

Job Description:

The company's investment philosophy combines a fundamental "stock picking" approach, integrating ESG from research to every step of our investment processes. We consider Stewardship and engagements as part of our fiduciary duties.

General Overview of Responsibilities:

This internship will help you understand the work of an ESG Analyst. You will work closely with our ESG Analysts/Portfolio Managers from relevant teams (strategies: Europe, Global, Emerging Markets, Asia) to help better understand companies' performances, risks, and opportunities. Within the ESG team, and in conjunction with the ESG Analysts/Portfolio Managers, you will oversee various assignments such as:

- ESG analysis of companies in the covered area (Europe, Global, Emerging Markets, Asia)
- Drafting of ESG memos and companies' assessments
- Monitoring portfolios
- Searching for engagement opportunities
- Participation in company meetings
- Writing ESG reports
- Specific sector studies, updating portfolio monitoring tools, etc.

Profile:

- Student in final year of university (master's degree) or on a gap year
- 1st experience in asset management (desirable)
- Strong interest in financial markets, and especially in economic and financial news
- Very good knowledge of Excel and, if possible, Bloomberg and/or FactSet
- Responsive, serious, adaptable, good interpersonal skills and a strong team spirit
- Detail-oriented, capable of analysis and writing
- Strong ability to work in a team, in an international environment
- Fluent English is essential, both written and spoken
- French and/or other language is a plus
